Subject.

Retired Amildar Syed Mustafa's application for Amrut Mahal Kaval land for cultivation

---

Rademaviniboor Kaval in the Kunigal taluk consists of Nos: 1 & 37, measuring in all 265 acres, and is one of the Kawals which is considered indispensable for the Amrut Mahal department. Every year the Government Kunigal Farm cattle use it during the hot weather, & very often several herds also are mustered there.

2. No 1 measures 241 acres and 38 guntas, out of which Mr Syed Mustafa wants 50 acres. The portion applied

x & 20 guntas.

for is marked in the Map (herewith submitted) in red pencil.

3. The Extent of the Kawl is already small, and as in the Trunkur District several of the hot weather Kawls have been granted for cultivation. I beg leave to suggest that M Syed Mustafa be encouraged to apply for land under the Ram-banahuntha close to Kunigal. If the applicant does not consent to this arrangement, the whole of No: 37 and a portion of No: 1 contiguous to it (to make up 50 acres) may, under the circumstances be granted; and I beg, in this case that permission be accorded to the lands lying fallow & not in demand under the Rambanahuntha

He applied for 50 acres of land in a Kaval (Survey No 1) - The Annual Medical reports were not quite in favor of the grant of the land for cultivation - The Dy Comr however recommended the grant of it. The Diwan directed that (with a view to concurrence) orders might issue in accordance with the Dy Comrs recommendation. There were 2 other applications pending at the time, viz those from Mr Ganesh Kay retired Asst Comr & Syed Ahmed (commandant 2d Battalion Mysore Infantry). All the three were placed before the 2d (or who ordered their submission) to the O/C Diwan for favor of his views. The O/C Diwan recorded his views on 15/2/98. A draft was prepared

in accordance with above views and Hubli Bdr/r as called for (Vide Serial No 7 in Section 7). The 2d/r called for some further information as regards Syed Ahmed's application and passed an order directing the grant of the lands asked for by the Ganesh King on certain conditions. The draft prepared accordingly was sent to the Diwan on 23/4/98 via the Pending. Syed Ahmed's case is also pending as SL No 7 referred to above shows that. The 2d/r & the Diwan were of opinion that all the three pending cases should be considered & dealt with together. C 25/6/98

Pensioned Amildar Syed Mustafa Saheb of Sira is reported to have applied to the Military Agt for the grant of 100 acres of Amrit Mahal Kaval land below Sank-Shatta Tank in the Magadi Taluk.

The Bangalore Dy Com's opinion, as to if the grant of 25 acres of land out of that Kaval would suffice for the support of the Petitioners' family, was called for by the Military Agt.

* Military Agt's Letter No 1004 & 22.11.01

the grant of a lump sum of money or an annuity in favour of the Petitioner's sister, without any land being given. Since he (Military Asst.) was not prepared to part with any more than 25 acres of that useful land.

"This might lie over for the present. The old man gets a pension and the provision for the members of his family is a matter for consideration when the present income ceases. The old man wanted some land in the magani Gubbi Taluk for which he said he would apply. This may for the present be filed".

Note.

I am so sorry that poor Syed Mustafa Saheb of Sira is dead. He was a fine specimen of the old type of Amildars, thoroughly cons--cientious, zealous in the service of Government and scrupulous in his dealings with the ryots. He must have been over 90 years when he died. He lived like a Fakir when he was Amildar, and I believe the late Dewan had it in his mind to grant Syed Mustafa Saheb some lands for the maintenance of his brothers' family. Old Syed Mustafa Saheb was himself unmarried but he had a large number of widows and orphans left by his brothers to maintain, and he cheerfully and at great sa--crifice did his duty by them. He appealed to me repeatedly after the death of the late Dewan but I was not in a position to grant his wishes. It is with sincere regret that I hear that the old man has died without obtaining the object of his life. It would have been a graceful and considerate act if Her Highness the Maharani Regent had been appealed to to grant him the land which after all was not very valuable. I think I would now appeal to His Highness on behalf of the widows in whose cause the old man used so often to call on the

Members of Government, old and infirm as he was.

The grant of land by the Dewan in the Military Department appears to me however somewhat against the usual procedure. When any portion of an Amrit Mahal Kaval is given over by Government for purposes of cultivation, the land is handed over to the Revenue De--partment and any grant of occu--pancies should be made in the Revenue Department. Any application for free grant should ordinarily be dealt with by the Revenue De--partment, and ultimately by the Revenue Councillor or in consulta--tion with him.

× The late Syed Mustafa Saheb applied for the grant to him of 50 acres of land out of the Nademavinpur Amrit Mahal Kaval in the Kunigal Taluk, with the following concessions :-

(1) That the land be granted without sale;

(2) that during the first year no assessment be levied thereon; and,

The late Syed Mustapha was no doubt an Amildar of some repute for honesty and straightforwardness. But it is not quite possible to appreciate and gauge exactly his services for recommending any special treatment at this distance of time. Syed Mustapha though himself unmarried had a large number of relatives hanging on him. It is for the maintenance of such relatives chiefly women — & sisters in-law that a grant of 25 acres of land from Sankeshwalla Amrita Kaval land is recommended. The Military Asst has no objn to spare the land. It will be duly assessed — and what is proposed now is to grant it without sale. The 1st Councillor has in his note written warmly in this matter and I have no objection to recommend that his proposal may be sanctioned.

Sir K Shashadri Iyer K.C.S.I.

Diwan of Mysore

May it please your Sir,

I most respectfully beg to bring the following few lines to your very kind consideration hoping that they will meet success.

I have served the Mysore Government for upwards 30 years and am now a pensioner. As all my brothers and their families lived with me and were entirely depending upon me for their maintenance while I was in service, it was difficult for me to make any kind of property then; and it needs hardly be told your honor that it is still more difficult for me to make any kind of property for those that depend upon me now when I retired the service having to maintain of course the same family.

ing upon me for this bread will have to undergo many difficulties when I am dead, I beg most respectfully to state that as kindly ordered by you to select the land That your honor will graciously be pleased to grant me a piece of land measuring about 50 acres in the Nedumavinpura Amil Mahal Kanal of the Kungal Taluq in the Tumkur district as described in the subjoined statement as has been granted to pensioned officers in similar instances, on the following favorable terms:-

(I) That the land should be granted free of sale

(II) That during the 1st year of grant no assessment should be levied as the land is at present Kharab and as it has to be brought to a cultivable condition at a great expense

(III) That the land is at present a Kharab

land it should be taxed as dry partly where there is no facility for water and taxed as wet where water can be had

Once before when I brought the above circumstance to your kind notice, you very kindly ordered that I should petition the Govt. setting forth my grievances, which now I have taken the liberty to do

For this act of charity and kindness I shall in duty bound ever pray for your honors long life and prosperity

12-11-97

My dear Sir,

In returning the file of papers connected with retired Amildar Syed Mustafa's application for 50 acres of land out of No. 1 in the Nademavinpura-da and Amani Mahal Kaval, Kunigal Taluk, I beg to state that Mr. Syed Mustafa would prefer to have the whole of the 50 Acres he has applied for, allocated in the said Survey No 1- Survey No 37 mentioned by the Amani Mahal Supdt is not capable of being irrigated.

with the exception of about 13. Acres. Besides this, this No. is entered in the list of lands reserved for the purpose of the Toddy Revenue - I would recommend under these circumstances that Mr. Syed Mustafa be granted the fifty acres he has applied for out of survey No 1 -

There are about 110 Acres of Govt assessed but unoccupied land ~~on~~ in the Rambhana Hantha and there is no objection to the Amrut Mahal Cattle using this area during the hot weather till such time as they are applied for

for bona fide cultivation. These lands are at present assessed as wet and form what is known as the Nanjaimedu. There are some difficulties in the way of irrigating this tract: hence the lands are lying fallow.

The Nademavinpuradu and Kavel is divided into 38 Survey Nos. Of these, Nos. 1 and 37 measuring 265 Acres are in the possession of the Amrut Mahal Deptt. All the Nos. are occupied with the Exception No. 20 (2 Acres and 15 Cents) all these numbers are wet.

DATED BANGALORE, 19th December 1901.

LIEUT. COLONEL R. G. JONES, I. S. C.,

MILITARY ASSISTANT TO THE GOVT. OF MYSORE,

To

H.V.Nanjundayya Esquire M.A. & M.L.

Secretary to the Govt of Mysore

Genl & Rev. Departments Bangalore.

Sir,

I have the honor to forward copies of the marginally noted papers connected with Pensioned Amildar Mustafa Sahib of Sira's request for the grant of 100 Acres of land below the Sanki-ghatta Tank, in the Magadi Taluk, belonging to the Amrut Mahal Department, for cultivation.

This Office letter No 1004 d/ 22-11-01 to the Dy.Commssnr. Bangalore.
Dy.Commissioner's reply.

2. In referring the matter to the Deputy Commissioner of the Bangalore District for opinion, I men-tioned that I was extremely averse to part with any Amrut Mahal kaval, but as the petitioner was a worthy old pensioner of the State and the late Dewan had some idea of helping him, I had no objection to 25 Acres of the kaval in question being given to him and enquired if this would be sufficient for the support of his family.

3. The Deputy Commissioner approved of my suggestion regarding the grant of the land, but thought that it was not large enough to bring in sufficient income to support petitioner's family

4. As I am not however prepared to part with any more of this useful kaval I would suggest that the Government be moved to sanction as a special case the payment of a lump sum, or ~~of~~ an annuity to the petitioner's sisters, and that no land be given.

I have the honor to be

Sir,

In forwarding the enclosed petition from pensioned Amildar Syed Mustafa applying for 100 acres of land in the Sankighatta Amrut Mahal kaval, Magadi Taluk, I have the honor to inform you that I am extremely averse to parting with any Amrit Mahal land but as I know the old gentle-man to be a worthy old pensioner and also that the late Dewan had some idea of assisting him, I do not mind as a special case parting with about 25 acres of the Kaval in question if you are of opinion that it will be sufficient to suppot his family. I cannot however consent to loosing 100 acres which amounts to one fourth of this very useful kaval.

ABSTRACT

States that he applied for 100 acres of land for cultivation in the Amrita Mahal Kaval of Sante Ghalla in Magadi Taluk.

That his remarkable service in this Govt. has been certified by the Chief Comm (No 75 d 31. 10. 74) and other high officers of the State;

That the Regimentdar Rama Rao Rannore, Krishna Rao & others who held high

MGCPB—4,000—31-1-02

offices like himself have been granted lands;

that the late Dewan, thinking necessary for the peturs to have some property for the subsistence of those who are in the protection of the petur. & who, otherwise, will become helpless on the death of their protector, was pleased to order that the lands of the peturs choice in the Amrita Mahal Kaval of Nademavinapura in Kunigal Taluk, be granted to him;

that the lands accordingly promised to the petur was transferred from the Amrita Mahal to the Military Department, & the petur. was promised, instead, 25 acres in the Kaval of Santeghatta;

and that this promise of 25 acres is quite insufficient for him, and prays for a grant of 100 acres.

He further prays that, if the Govt. thinks it not expedient on the ground that it is the bed of the tank, to grant such an extensive land in one place, a portion of the Amrita Mahal Kaval below the Amani tank in Gubbi Taluk, may be granted him

And hopes for an early ~~grant~~ compliance with his request so that he may be able to make necessary arrangements for the improvement of the land.

to H. H. the Maha Raja of Mysore
Bangalore.

The humble petition Khootija Bee Bee (wife Syed Ibrahim Saib) Rookhiya Bee Bee (wife of Syed Lateff Saib) and Pacha Bee Bee (wife of Syed Yoonoos Saib) all are residing at Kunigal.

Most Respected Sirs.

We beg to state that our husbands and 2 others were the Entire brothers of Syed Moosta Saib (Pensioned Amildar of Sira Taluk) All them use to live in joint family.

Upon the Pension that has been granted to the said Syed Moostafa Saib by this Honorable Government all of us have been maintained.

Owing to our misfortune the said Syed Moostafa Saib deceased on the 25th May 1902, Since then we are suffering very much for livlihood. For the whole family there is only one male issue Syed Alli (Son of Syed Yoonoos Saib) who has no source nor appointment to maintain us.

Considering the narrowness of protects the Syed Moostafa Saib applied to the Dewan Sa

to

to provide him with lands on Coudayaur.
Your honour is well aware of the correspondence
on the subject and most probably we believe
those records might have come to your honour's
office.

We humbly beg to state that we are very
poor and helpless widows with children.
We have none to protect except the Creator.
At present we have fully believed that your
honour is our Creator & benefactor.

We therefore most respectfully & humbly
pray your honour be so generous as to have
mercy on our poverty and please favour
us the lands applied for by our brotherinlaw
late Moostafa Saib) and thus protect us
from all difficulties. &c.

For which act of Charity & benevolence
we are in duty bound shall ever pray for your
honour's long life & prosperity.

Begging to be pardoned for the liberty taken
in addressing the above as our poverty induce
us to approach for your honour's mercy.

We beg to remain
Most Respected Sir
Your honour's most obedient
and humble servants.
